## PROGRAM OVERVIEW

ProtoCall Services, Inc. (ProtoCall) is contracted by the State of New Mexico Behavioral Health Collaborative Agencies: Human Services Department Behavioral Health Services Division, Children Youth and Families Department Behavioral Health, Children Youth and Families Department Protective Services, and the Department of Health Office of School and Adolescent Health to deliver trauma informed responsive care through the least restrictive and most culturally inclusive approach available.

Professional counseling staff determine a Level of Care for each clinical call. This determination guides conversations to understand if the matter can be resolved on that call, or if a higher level of response is necessary. Most crisis line calls are resolved through supportive telephone counseling.

Level of Care Clinical Crisis Calls	SFY22 (7/1– 6/30)	YTD 2022 (1/1-12/31)	Mar 2022	Feb 2022	Mar 2021
Routine	45.8%	45.8%	45.3%	45.1%	48.5%
Urgent	47.7%	47.8%	47.6%	49.1%	44.9%
Emergent	6.4%	6.5%	7.0%	5.8%	6.6%

It is important to note that demographic information is not gathered on all calls, as callers may decline to provide this information, may not know how to answer, or the call taker may not have asked the question (due to the nature of the call). Because of this dynamic, the total number of calls reflected in each county is less than the full total number of calls reported each year.

Some things to keep in mind when reviewing demographic information of crisis line callers include: (1) a small number of callers contact NMCAL quite frequently, (2) some callers chose not to share their demographic information during the call, and (3) there are community members that do not yet know about the NMCAL resource.

### Calls Involving Thoughts of Suicide

While suicide is not always the presenting issue on a crisis line call, concerns related to suicide were reported on 40.6% of the calls. The callers reporting concerns about suicide on the crisis line, either for themselves or for another person of concern, were supported in the least restrictive manner possible, and when appropriate had a safety plan created. There are times when NMCAL involves hospital or emergency services, but only when there is not a less intrusive way to keep the caller safe.

## Integrated Program

NMCAL is proud to manage an integrated program where callers have a choice to talk to a mental health professional on the crisis line, or a certified peer support on the Warmline. In addition, and because our staff work in collaboration, we are able to connect callers to either program during an engagement.

Calls Transferred Within Program	SFY22 (7/1– 6/30)	YTD 2022 (1/1-12/31)	Mar 2022	Feb 2022	Mar 2021
from NMCAL to Warmline	90	25	10	11	2
from Warmline to NMCAL	40	8	6	1	2

## Calls Involving Substance Use

NMCAL and the Warmline are here to support people that may be experiencing substance use concerns. In March 35.9% of crisis line callers reported current concerns were related to the impact drugs and/or alcohol have in their lives. Another 5.3% reported a history of substance use.

In March, callers identified Opioids as component of the primary reason for calling on 6.9% of NMCAL calls, and on 0.2% of the calls on the Peer-to-Peer Warmline.

Calls Related to Opioid Use	SFY22 (7/1– 6/30)	YTD 2022 (1/1-12/31)	Mar 2022	Feb 2022	Mar 2021

## Calls from Veterans and Active Service Military

Crisis feels different for everybody. While there is a National Veterans Crisis Line available for veterans, active service military, and their families to engage in, some prefer to call our local program for support.

Caller Identified as Veteran or Active Service Military	SFY22 (7/1– 6/30)	YTD 2022 (1/1-12/31)	Mar 2022	Feb 2022	Mar 2021

## WARMLINE UTILIZATION DATA

### Peer to Peer Warmline

The Peer-to-Peer Warmline is answered by certified peer support specialists in recovery from their own mental health diagnosis, family / parent peer support specialists who have raised a child with a mental health diagnosis and assisted the child in navigating access to support within the system of care, as well as resource foster parent peer supports who have cared for a youth participating in the resource foster system of care. Warmline professionals are available 7 days a week, 365 days a year via phone from 7:00 a.m. – 11:30 p.m. MT and through text between 6:00 p.m. – 11:00 p.m. MT.

Warmline callers are asked for their county of residence, as a way for peer supports to assist the callers and texters to engage with additional resources and support services beyond the call or text. It is important to note that demographic information is not gathered on all calls, as callers may (1) decline providing information, (2) the caller may not know how to answer, or (3) the peer support may not ask the question (due to the nature of the call).

Like most Warmlines, there are a large number of callers who contact the Warmline peer-to-peer support program regularly.

The New Mexico Crisis and Access Line offers a variety of services to support people, and ensure that there is a continuum of care. Services are appropriate for people experiencing non-crisis, pre-crisis, crisis, and post-crisis experiences with mental health, behavioral health, and substance use concerns. When you, or someone you know, is ready for mental health assistance, access any of these programs in the moment support is needed:

## “Here to Hear You”

Call the **Crisis & Access Line** at **1-855-NMCRISIS (1-855-662-7474)**

Call or Text the **Peer-to-Peer Warmline** at **1-855-466-7100**

Call the **Healthcare Worker and First Responder Support Line** at **1-855-507-5509**

Speech and hearing-impaired callers can access support through Relay NM services. Language interpretation service provider available to Non-English speaking callers.

**People experiencing substance use and behavioral addictions can utilize the self-guided online **NM 5-Actions Program™** at <https://nm5actions.com/>**

Easily access any of our programs or resources through the **NMConnect** Smartphone app

We are proud to be the resource of choice that New Mexicans reach out to in the moment mental and behavioral health support is needed. We offer free and immediate professional mental health support to anyone that may want it. We understand that every struggle is different and proudly provide invaluable care in the moment a person needs it. We connect people to local services when appropriate. And, we know that being here to hear people, and offering a simple act of kindness, can help a person feel less alone, supported, and able to keep going.

We have incorporated these additional programs into our array of services to ensure there is no wrong door to accessing help:

- Answering calls as an accredited provider on the 988 National Suicide Prevention Lifeline,
- Supporting people Taos Rio Grande Gorge Bridge,
- Providing after hours support for community mental health agencies (CSA),
- Following up with an outbound call to youth and young adults (*Garrett Lee Smith grant*),
- Posting information on a dedicated mental health resource website,
- Providing an online self-guided digital 5-Actions Program™ for people experiencing addiction,
- Delivering Path to Wellness public awareness messages of hope,
- Creating memorandums of understanding with public safety agencies (*to support mental health calls transferred from dispatch response centers*),
- Facilitating community prevention trainings,
- Advocating for mental health wellness, and
- Delivering easy access to our services through our **NMConnect** Smartphone app.
