

# New Mexico Crisis and Access Line Array of Services-July 2025

## 1. Program Overview

**Service Provider**: Protocall Services, Inc. operates NM Crisis and Access Line (NMCAL) 988 Life Line, and other crisis support lines on behalf of the NM Behavioral Health Services Division (BHSD) Health Care Authority(HCA).

**Services**: Provides crisis support through calls, texts, chats, and digital tools (e.g., NMConnect app, 5-Actions Program™) for mental health, substance use, and other behavioral concerns.

#### 2. Trends to Note for the Month:

- This month marks the start of the new fiscal year. While many of our services remain unchanged, after-hours coverage for the Core Service Agencies is no longer funded by the state and is therefore not included in this report.
- 3. NMCAL Utilization- This represents the total engagements we handled each month across all NMCAL scopes. An engagement includes all attempts to support a help seeker in the moment; one engagement might consist of multiple contacts across inbound calls, outbound calls, texts, or chats. Contacts without a help seeker, such as hang-ups, are excluded.

**4. All Clinical Engagements (Calls, Chats and Texts)-** Detailed information related to the engagements handled by our trained counselors on NMCAL, New Mexico 988, and Rio Grande Bridge Intercoms.

- 8. Highlights of Outreach and Marketing: We partner with local health organizations, educational bodies, and community influencers to co-promote our array of services. They shared NMConnect, NM 5Actions, for their community's adding credibility and increasing reach. During community workshops, meetings and presentations at conferences, we used interactive slides, demos, and infographics. Attendees are encouraged to download the app in real-time using QR codes on presentation slides. We find that this hands-on engagement significantly boosts app downloads during these events.
